

## Abstract

The Alumni Meet held on December 21, 2024, marked a significant occasion for GIFT Autonomous, inviting alumni from various disciplines to rekindle their ties with their alma mater. The event was designed to celebrate achievements, foster community, and provide a platform for knowledge exchange. A warm welcome speech from the Principal of GIFT Autonomous, highlighting the importance of alumni engagement and the role alumni play in shaping the institution's future. The event attracted over 75 alumni from various batches, demonstrating the strength and unity of the GIFT community.

Several alumni shared heartfelt testimonials about their time at Gift Autonomous and how it shaped their careers. The success of this event lays a strong foundation for future alumni engagements and initiatives that will benefit both alumni and current students. The event underscored the values of collaboration and mentorship, making it an enriching experience for all participants. Plans are already in motion for the next gathering, with a focus on building upon the success of this event and continuing to enhance the alumni network.
