The quest for excellence begins here...

Accreditated by

DIPLOMA | B.TECH | M.TECH | MBA | MCA | M.SC

To be a world-class Academic Institution; to serve as a valuable resource for industry & society; and to contribute through excellence in learning, research, entrepreneurship and leadership.

To explore new teaching pedagogies to booster academic growth by offering state-of-the-art undergraduate and postgraduate programmes; undertake collaborative projects that provide long-term interaction with the industry; develop human potential to its fullest extent and creating thought leaders in the process.

We are driven by values like Integrity, Discipline, Excellence, TeamWork and Accountability with respect and tolerance for the views of every individual.

Message of **Chairman**

A WARM WELCOME:

Message of Vice Chairman

From the **Principal's Desk**

Today, the role of an Educational

All said and done Technical & Management Education continues to be one of the best choices for career making. In this era of dilutions, we, at Gandhi Institute For Technology (GIFT) continue to believe that, the only way to stand to the innumerable challenges of life is hard work. We work hard and expect our teachers & students to do it in the same way. So, we do hope that our students work hard for 4 years during their B.Tech and for 2 years during their M.Tech, MBA & MCA and 3 years during their DIPLOMA programme and enjoy the benefits, for rest 40 years of their lives.

(Dr. Satya Prakash Panda)

To embark on the path of education is a noble affair. It is a holy endeavour and should be holistic as well. We, at GIFT work for nurturing Active, Optimistic, Socially Conscious and Technologically Sound Professionals, who will have a strong penchant to serve human society with willingness and utmost diligence. Our institution runs with a set specific objectives and planned activities for achieving excellence in all spheres of Technical and Managerial Education. Learning should be based on doing things and not merely knowing things. Hence, we welcome you to the world of practical learning holistically.

(Dr. Patitapaban Panda)

Institute is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever changing global society. A decade back GIFT pledged to transform technical education in Odisha working under the aegis of the well-established management of the Balaram Panda Trust. The institute is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities.

(Dr. Ch V S Parameswar Rao)

Gandhi Institute For Technology (GIFT), Bhubaneswar established by the Balaram Panda Trust in the year 2007 is located at the outskirts of Bhubaneswar, which is well connected by Rail, Road and Air. It is accredited by NAAC with Grade 'A++' and departments like CSE, ECE, MECH & EEE are accredited by NBA. Ministry of Science & Technology Govt. of India recognised it as Scientific and Industrial Research Organisation (SIRO). It is an authorised Remote Centre of IIT BOMBAY & IIT KHARAGPUR for conducting IST & AEC workshop. Ministry of MSME, Govt. of India has been pleased to announce this institute as a Host Institute/Business Incubator. It has been striving relentlessly and successfully in its vision to grow into an Institution of Excellence. It seeks and adopts innovative methods to improve the quality of education and research on a consistent basis.

Diploma Engineering, a three year course is basically skill oriented training, focusing on technical expertise and engineering skills after 10th or 12th standard in various engineering aspects which are important to function in a challenging work environment. A student who has completed the diploma is eligible to enrol for B.Tech Programmes in the second year under a Lateral Entry scheme. On successful completion of this course, students can apply for jobs as Junior Engineer, Asst. Engineer in various Private and Govt organisations. There is a wide array of disciplines while pursuing Diploma in Engineering. The disciplines are:

- Civil Engineering
- Mechanical Engineering
- Electrical Engineering

- Electrical & Electronics Engineering*
- Computer Science & Engineering*

B.Tech Courses

CIVIL ENGINEERING

Civil Engineering offers UG & PG programs. The Program emphasizes on all the core areas of Civil Engineering like Design of structures, Building, Bridges, Dams and other infrastructures. All the programs are embedded with Industry Internship. This department undertakes founded projects and consultancy activities. It is also recognised as a Quality Control Consultant by Odisha Mining Corporation. The Civil Engineering Department is equipped with 08 numbers of State-of-the-Art Specialization Labs among which the Geo-Technical Engineering Lab is recognised by the Public Works Department (PWD), Govt. of Odisha.

AGRICULTURE ENGINEERING

Agriculture Engineering is the branch of engineering which deals with the construction, design, and improvement of farming equipment and Machinery. Agricultural Engineering integrates technology into farming. It also tries to find solutions for pollution control at large farms. This Department is amply equipped with number of technically sophisticated labs.

B.Tech Courses

- COMPUTER SCIENCE & ENGINEERING
- COMPUTER SCIENCE & ENGINEERING (AI)
- COMPUTER SCIENCE & ENGINEERING (IOT)*

Accredited by NBA and a registered member of the Computer Society of India (CSI), the department lays emphasis on the Basics of Computer Programming and Networking, and comprises a plethora of topics. The department has developed the College Management Software (CMS) for effective functioning and undertakes various consultancy projects from Govt. & Private Sectors. 13 numbers of State -of- the-Art Specialization Labs cater to the academic needs of the students.

ELECTRONICS & COMMUNICATION ENGINEERING The program of the Electronics & Communication Engin

The program of the Electronics & Communication Engineering focus on technologies that underpin Advanced Communication Systems, Microprocessors & Microcontroller, DSP and VLSI, Embedded Systems, Data Communication etc. with special emphasis on Research and Development. It is equipped with 10 numbers of State-of- the-Art Specialization Labs.

MECHANICAL ENGINEERING

The Mechanical Engineering programs deal with the core concepts like Mechanics, Kinetics, Thermodynamics, Material Science Structural Analysis, Quality Control & Reliability along with tools like Computer-Aided Design and products life Cycle Management to design and analyze manufacturing parts and Industrial Equipment. It is actively involved with research and innovative work and also undertakes funded projects.

ELECTRICAL & ELECTRONICS ENGINEERING

The EEE program deals with the Electrical Power Generation, Transmission and Distribution, Electrical Machines, Power Electronics & Drives, Micro Processor & Micro Controller, Control System, High Voltage D.C and FACTS, Signal Processing and Communication. The Department is equipped with 10 numbers of State-of-the-Art Specialization Laboratories. The students of these programs will have opportunities in power, transportation and aerospace domains.

Post Graduate Courses

Master in Business Administration (MBA)

Gift runs a two-year full time program in MBA with dual specialization. The Department of MBA focuses on Personality Development, Skill and Competency Improvement, transcending the university curriculum. Students are exposed to industry Professionals and Professors of elite B-Schools and Universities. The topics are imparted with Case Study Method.

Master in Computer Application (MCA)

A two-year full time program in MCA is run by the college with major thrust on software design and development. The department focuses on Computer and Mobile Application Development. Students of MCA are exposed to live projects with keenly supervised Internship Programs.

Master in Technology (M.Tech)

The college offers two-year M.Tech in subjects like: CSE, Environmental Engineering, Industrial Safety Engineering, Construction Technology & Management and Computer Science & Engineering (Al&ML)*. The students have the privilege to work on different on-going Govt. sponsored projects and exposed to various Workshops, Seminars and Conferences.

Salient Features

OUR INFRASTRUCTURE

- A/C Smart Classrooms
- Uninterrupted Power Supply & Wi-Fi Campus
- Well Equipped A/C Conference & Seminar Halls
- Excellent Transport Facilities
- Automated English Language Lab
- Biometric Attendance System
- Gymnasium & Recreation Room
- Both In-Campus & Off Campus Girls & Boys Hostels
- **Spacious Canteen** with Excellent Catering Facilities and Hygienic Food
- Separate Cafeteria having Provision for both South Indian & Chinese Food, Bakery, Snack items, Fruits, Juice and different types of beverages
- Gents & Ladies Parlour and Salon
- ATM & Laundry Services

THE TOOLS WE USE

- Interaction with Parents & Students through "Mentoring System"
- Scholarship / Incentives to Meritorious Students
- Digital Library with e-Journals / e-Learning course material
- Soft Skill & Personality Development Programme
- Entrepreneurship Development Program
- Incubation Centre recognized by Ministry of MSME

WE PROVIDE

- Ragging Free Campus
- Student Friendly & Conducive Study Environment
- **Hobby Classes**
- **Emphasis on Co& Extra Curricular Activities**
- Yoga & Meditation Training By Spiritual Gurus
- 24x7 in-campus Medical Assistance
- Regular Doubt Clearing & Extra Classes
- Regular Industrial Study Tours, Summer Internships
- Value Added Courses

THE RESULTS YOU GET

Active, Fun filled & Disciplined Life Pleasurable Learning Experience **Excellent Placement Prospects**

We Do Things Differently

- Specially designed lab manuals provided by the college to all.
- Helps in enhancing the quality of practical knowledge.
- Highly appreciated by visiting professors & recruiters.
- The attendance of students scrupulously tracked through normal attendance as well as biometric attendance.
- Helps to generate SMS for absentees resulting in better attendance in classes.

GIFT has developed a College Management Software (CMS) to automate regular activities of Academic, Admission, Administration, Account, Parent - Teacher Interaction etc. It is a One-click tool to manage all the data and easy to access them.

- GIFT campus is secured by 24 Hr CCTV surveillance.
- Helps in maintaining discipline and ensures safety.

- We organize Musical Night on weekends to rejuvenate the GIFTIANS.
- Helps students to enhance & showcase their inherent talents.

• It helps parents to track the progress of their wards & apprise them of the well-being of their wards.

Seminar, Conference & Workshop

www.gift.edu.in

GIFT organized an FDP on "Innovation in Waste management in Smart Cities (IWSC 2019)" for session 2019-20 which was chaired by Honourable Vice Chancellor, BPUT, Dr. C R Tripathy. Dr. S K Moharana, Professor, AIT Bengaluru and Dr. S K Behera, Professor, VIT, Vellore were present to grace the occasion.

A National Seminar on "Next Generation Fibers-SNGF-2020" was conducted by Dept. of ECE on 27th & 28th February 2020 with an objective to involve the faculty and students in various research fields with Next Generation Fibers. TEQIP III Coordinator, Dr. Ranjan Kumar Jena was the Chief Guest of the occasion.

International Conference & AICTE Refresher Programmes

GIFT holds International Conference on Advancements in Sustainable Technology (ICAST), which was the latest milestone in the series of conferences organized here in Gandhi Institute For Technology (GIFT) in association with Institute For Engineering Research and Publication. The conference was held on 17th and 18th of December, 2021. ICAST 2021 has provided an international platform that allowed researchers, academicians, and industry experts to segment and confer their up-to-the-minute research, concepts and study reports in the theoretical and applied expanses regarding all aspects of sustainable technology. More than 90 papers were presented through the conference which clubbed people from all over the globe making ICAST 2021 a grand success. The institute also conducted an AICTE-ISTE sponsored online Induction/Refresher Programme on "Pedagogy Workshop On Innovative Teaching And Learning" by Department of Mechanical Engineering from 4th – 10th January, 2022 with more than 120 participants

Research and Development (R&D)

GIFT has established several research units in line with the global challenges. For achieving such goals, GIFT has a dedicated RESEARCH AND DEVELOPMENT team headed by PIC Research with members from Academia, Research Labs, Industries and Faculty Representatives from all departments, as Research Council Members.

- GIFT has been recognized by Department of Scientific and Industrial Research, Govt. of India as Scientific and Industrial Research Organization (SIRO).
- A collaborative project with SHIKSHA 'O' ANUSANDHAN University, Bhubaneswar has been obtained under EOI of National Aluminium Company Limited (NALCO).
- A novel project on "Production & Properties of NALCO Alumina Nano Fluid: A cost effective formulation and study of its stability" is being undertaken by GIFT in collaboration with National Aluminium Company Limited (NALCO), a Navaratna Company.
- A two day Research Council Meeting was held at GIFT focusing on research activities and other related avenues of the students and faculties in Research.
- A project for Chillika Development Authority (CDA) is under taken to develop an Android & iOS based mobile app for tourists and researchers.

An Eco-friendly Solar charged car self designed & developed by students of EEE Dept.

Prof. (Dr.) H.M. Duong of National University, Singapore, inaugurated the Bio-Gas plant, a student project, generating gas from Kitchen Waste under the guidance of Prof. Amar Kumar Das.

Special Accomplishments

GIFT: An MSME Incubation Centre

GIFT College is recognized as a Host Institute/ Business Incubator for implementation of the scheme "Support for Entrepreneurial and Managerial Development of SMEs through Incubator" by the Ministry of MSME, Govt. of India. The centre was inaugurated by Dr. SK Sahoo, Deputy Director, MSME, Odisha.

Felicitation from Cambridge University

GIFT receives the "Emerging Star of the Year" as a preparation center for Business English Certification (Prelim & Vantage) Exam for 2019-20.

Transcending Border

GIFT signed an MoU with **Prince of Songkla University**, **Phuket**, **Thailand** for collaboration between both to enhance the quality of the Educational & Research experience of students

Happenings @ GIFT

in GIFT Campus

Self Development & Placement @GIFT

Self Development & Placement Cell caters to the needs of our students in terms of making their career bright and successful. The ultimate objective of our students to avail a job opportunity while graduating out is fully supplemented by our most dedicated SD & P Cell.

The major functionality of this cell is based upon the concept of finding the skill gap and bridging them as per the industry needs and connecting right talent at right position.

Grooming the 1ST Year Students Through DISHA Programme

The Self Development & Placement (SD&P) Cell at GIFT plays a pivotal role to groom the students from the first year itself.It conducts a special training programme every year for the first year B. Tech students.The SD & P Cell organizes various activities which are relevant to the training and placement of the students and make them industry ready from the very beginning of their career and to avoid any last-minute hustle. The programme provides the students with a first-hand experience by exposing them to the various activities like Career Counselling, Communication Skills, Personal

Interviews, Technical Interviews, Group Discussion, preparation of Curriculum Vitae, Company Specific Training, Internship, Skill Training etc. Mock Drills are inculcated for the various activities where the students get to know the present-day scenario which will be fruitful for them in their actual training programme.

Our Major Training Activities Centers On:

- Mock Personal / Technical Interviews
- Career Counselling by Experts
- Motivational Talk, Seminars and Workshops
- Placement Assistance for existing as well as graduated students
- GD & Personality Development Sessions by Experts
- Internship Assistance

Value Added Courses @ GIFT

- Java, PhP, Python, Android, IoT& Data Science
- PLC, Scada, MATLAB.
- Pro E, Catia, CAD, CAM, Autocad, Staad Pro & GIS
- Online test by AMCAT
- eLearning courses through NPTEL (by MHRD, Govt. of India)
- Business English Certification(BEC) Exam by Cambridge University

Goal Setting & Motivational Sessions @ GIFT (Exclusively For 1st Year Students)

- DISHA- A Career oriented workshop
- LAKSHYA- It deals with the scope of jobs and further education after studies.
- SAVERA- It focuses on job oriente preparation and business etiquettes.
