Well

The teaching time is very high i.e 7 hrs , it should be reduced to 5 hr at Max , Overall the facilities of teaching are nice and I appreciate it . Though it's not related but uniform should not be forced , can be made compulsory during exam but other days it can be formals . I mainly appreciate the mentorship program

1.To give same important to all subjects equally. 2. To complete syllabus in particular time and in fruitful way. 3. Have a conversation between teacher and student to clarify what problems individual faces.

Everything is good, no suggestions

more exposure thorough study tour , student exchange program

All are good

I can suggest you to make a collaboration with the manufacturing company to learn practical knowledge about the transformer making and component making.

The teaching qualities are very good

Adding new graphics in the classroom sessions for students

1.give real time problem to solve 2.connect to students individually 3.group project on core subject

Okokok

All the facilities are very good

One of the best college .

Focus On skill based class And extra Knowledge

Should Focus on more basic concepts and practical.

New technology monthly updates can be given.

1. Teaching language should be student friendly for hindi students.

The teaching process and learning are good . As a technical institute we want more seminars to get the idea and exposé about how the technology can work and what's its future. Secondly the hobby clubs are so initiative to gain some knowledge about new skill. Overall it's on right path to help the students what they need and required as in near future .

Treat equally to every students and use New technologies for the students in classroom.

Interaction classes

Should create a bond between students and teachers like in school

Best college & Best teacher

Best collage with a great learning experience

Teaching learning and experience are very good for and we will try to our best

1. Help the students for project making .

Some freedom for hostelers

As per my experience till now all the process is going great and all are approaching properly.

Gift is a good institute for education

I am very happy...

All good

Provide hand note to each student during class in each subject

Make more extra curricular activities

Thank you

Outstanding

Learning is very well.

It's very good

Over all good

Try to teach with proper examples or practical method, provide offline internship, provide Information about higher study and career opportunities in various field like govt. Jobs etc.

Nice teaching my everything

Very agree

There is a very nice experience to study here till the date. We will be more happy if there are some more training about to crack the good place-ments. Thank you

good security and a good hostel management or this college bridge looking a so very beautiful

To reduce class time

Teaching is overally Good.

a.) Overall teaching quantity is Excellent. b) Teachers are friendly. c) College workload is little more but we will soon be habituated to that and be able to manage our time for developing skills.

As there is a vast scope in the IT Sector so, college should focus on providing the skills related to it sector

Conduct some study tours, Do some competition or hackathons and make sure to have some quality teaching instead of tiresome 8-9 hours of class with literally 2 hours of value at Max.

Well good

More practical education, technical training and personality building activities like presentation and speech.

Implement Interactive Teaching Methods,Enhance Technology Integreation,Foster Collaborative Learning Opportunities.
