NOTICE TO ALL PARENTS/GUARDIANS

Sub: Parental Participation in Monitoring Students' Academic Progress

This is to inform that the college administration has been making consistent efforts to reach out to parents/guardians, as & when required, to seek their cooperation and support regarding matters concerning their wards. However, it has been observed that the response from many parents has not been satisfactory.

You are hereby reminded that your active involvement in monitoring the academic performance and overall development of your ward is both necessary and appreciated. A strong partnership between the college and parents is vital for the holistic growth and success of our students.

In this regard, you are kindly requested to:

- (i) Communicate with faculty members through scheduled meetings or official communication channels in regular intervals.
- (ii) Monitor your ward's attendance and academic performance.
- (iii) Encourage your ward to meet academic deadlines and adhere to college rules and regulations.

You are kindly requested to be in regular contact with the college administration, whenever possible. In case of any academic or personal concerns related to your ward, you are encouraged to reach out without delay. Please be assured that the college is always committed to providing the necessary support to address any issues concerning your ward. However, in the absence of timely parental involvement, the college may find it difficult to resolve such matters effectively, and any decisions taken unilaterally (ex-parte) may not be well-received.
